2010 le Jaja de Jau Ben Sauvignon Blanc

WHO: Château de Jau

WHAT: Sauvignon Blanc

WHERE: Côtes de Cascon, France

WHEN: 2010

The nose is very aromatic, offering up tropical white flowers, sweet pink grapefruit, and a very light touch of gooseberry. The flavors tend more to citrus, lemons and white grapefruit lead the attack. A distinct minerality and salinity underlie all the flavors, from start through the finish. A very strong backbone of acid runs through the wine, giving it very clean, bright flavors and the ability match up to the heaviest foods. Drink it with stuffed flounder. Highly Recommended. DH
