

2010 Echelon Pinot Grigio

WHO: Echelon
WHAT: Pinot Grigio
WHERE: Monterey County and Central Valley, California
WHEN: 2010

Honeyed aromas, very fruity, with honeyed, peachy flavors, and honey even in the finish. Fruit and citrus overwhelm the crispness you'd expect to find in a wine made from pinot grigio grapes. It's a nice example of a modern sweet wine, probably a crowd-pleaser, but not really a pinot grigio. Maybe they should rename it? Recommended with reservations. BSE
